

## FL06 Solar LED Flag Pole Light

This compact, stand-alone, self-contained, solar powered flag light is ideal for illuminating a small to medium sized flag pole up to about 20' tall. Designed to light a flag from the ground up. The light fixture is fitted with 45 Cree® LEDs. 4W LED power with an output of 360 lumens. Capable of automatically illuminating after dusk for up to several hours or dusk to dawn in some locations. Choice of solar panel options (6W, 7W, or 10W). A higher wattage solar panel is recommended for less favorable locations or where maximum efficiency and performance is required. The solar panel is supplied with 9' of cord so that it can be installed some distance away from the light fixture, in an exposed location, facing as south as possible. A solar panel extension cord is available. The light fixture and solar panel are each supplied with a U shaped mounting bracket. Simple, plug & play installation.

### LUMINAIRE

- 4W LED power providing 360 lumens
- Aluminum construction
- Black colored finish
- White colored light output (daylight white, 5,000K)
- IP65 weather rated
- Dimensions approx. 7"x6"x6" (18cm x15cmx15cm)
