

SL40

SL40 Solar 60W/80W/100W
(Supplied Without Pole)

IES and lighting distribution data available for 40W, 60W, 80W & 100W Models.

Complete 3D lighting renderings available for your application.

This compact, integrated, all-in-one, solar area light fixture is offered with a choice of 60 Watt, 80 Watt, or 100 Watt LED power. It's designed to attach to the top of a 3" OD round pole. It can also be side-of-pole mounted or wall mounted (using an optional support arm). Three different programmable modes (and dimming options) are available using the IR remote control (included). This fixture is fitted with an integrated solar panel mounted discretely on the upper side. On the underside, there are several powerful LED modules and a motion sensor.

SL40 Solar 60W/80W/100W
(Supplied Without Pole)

LUMINAIRE

- Three user/installer selectable operational mode choices.
- Timed mode – Offers automatic illumination at dusk at 100%, 70%, or 50% output
- Motion sensor mode – Offers automatic illumination at dusk upon motion detection at either 100%, 70%, or 50% output
- Mixed mode – Offers automatic illumination at dusk for up to 6 hours at 100%, 70%, or 50% output, then off, except upon motion detection until dawn at 100%, 70%, or 50% output
- Select the desired lighting mode and/or output using the included remote control
- 60 Watt emits 6,500 lumens
- 80 Watt emits 8,500 lumens
- 100 Watt emits 10,500 lumens
- 5,500~6,000k LED color temperature
- Aluminum construction
- IP65 weather rating
- 60 Watt Dimensions approx. 38" x 14" x 4" (96cm x 35cm x 10cm)
- 80 Watt Dimensions approx. 44" x 14" x 4" (112cm x 35cm x 10cm)
- 100 Watt Dimensions approx. 50" x 14" x 4" (127cm x 35cm x 10cm)
- Gray / aluminum finish

SOLAR PANEL

- 60 Watt version is fitted with a 18V 64 Watt solar panel
- 80 Watt version is fitted with a 18V 85 Watt solar panel
- 100 Watt version is fitted with a 18V 102 Watt solar panel
- Glass covered solar panel is integrated into the top of the fixture

BATTERY

- Lithium battery pack included and pre- installed
- 60 Watt supplied with 12.8 V 302 Watt-hour battery
- 80 Watt supplied with 12.8V 403 Watt-hour battery
- 100 Watt supplied with 12.8V 502 Watt-hour battery
- The long life battery is replaceable when required
